

**MEMORANDUM OF UNDERSTANDING
BETWEEN
DIPONEGORO UNIVERSITY
AND
MURDOCH CHILDRENS RESEARCH INSTITUTE**

In order to promote further cooperation between Indonesia and Australia, Diponegoro University and Murdoch Childrens Research Institute will conduct the following agreement on academic and educational cooperation, based on mutual trust and mutually beneficial cooperation in the area of exchange of faculty and staff in order to advance scientific research, education and cultural understanding, and to contribute the development of the two institutions

Between

Diponegoro University, having its address at Jl. Prof. Soedarto, SH Tembalang, Semarang 50239 Central Java, Indonesia, phone : +62 24 7460012 fax: +62 24 7460013

And

Murdoch Childrens Research Institute, having its address at Royal Childrens Hospital, Flemington Road, Parkville, Melbourne VIC 3052, Australia
Phone . :+61 3 8341 6200

Diponegoro University and Murdoch Childrens Research Institute hereby agree as follows:

1. To the extent feasible, both institutions will encourage direct contact and cooperation. The following general forms of cooperation will be pursued:
 - 1.1. Collaboration of faculty and staff members for research, symposia and other academic pursuits.
 - 1.2. Exchange of students for study and research, subject to the student having the requisite skills and experience to complete the program of study or research and meeting the existing policies of the recipient institution.
 - 1.3. Exchange of data, documentation, and research materials in fields of mutual interest, based on the existing policies of both institutions and with the correct Material Transfer Agreements and any other necessary legal agreements in place before transfer of such data, documentation or research materials takes place.
2. Detail of implementation of any particular exchanges resulting from this Memorandum of Understanding (MoU) shall be negotiated as each case arises. Final arrangements will depend on the availability of funds.

3. Specific programs or projects pursuant to the above areas of cooperation shall be covered by separate Plan of Operation (PoO) between the parties.
4. The MoU is set for an initial period of five years, and is subject to revision and renewal by mutual consent.

The MoU should be ratified in two original documents, both written in English language and being equally authentic. Hereupon, the signatures of representatives of Diponegoro University and Murdoch Childrens Research Institute, in the spirit of promoting mutual friendship and cooperation.
