

Agreement of Academic Cooperation  
between  
Universitas Diponegoro  
and  
National Fisheries University of Pusan

In accordance with the interest in a program of cooperation and exchange, Universitas Diponegoro (UNDIP) and National Fisheries University of Pusan (NFUP) join in the following agreement on educational and scientific cooperation in fields related to fisheries and marine sciences.

Both Universities have reached agreement on the following areas of cooperation, commencing in 1991, subject to mutual consent and the availability of funding :

- Exchange of graduate students and faculty members
- Exchange of academic materials and other information
- Joint research activities
- Participation in seminars and academic meetings
- Special short-term academic programs

The terms of such mutual assistance and funding for any specific program and activity shall be mutually discussed and agreed upon in writing by both parties prior to the initiation of particular program.

This Agreement will take effect on the date that is signed by the Heads of the two universities and will continue to be valid unless any specific circumstance arises. This Agreement may be revised after consultation between the two universities.
